

SOUTHERN ACIDS INDUSTRIES SDN. BHD.

(207048-P)

CORPORATE SOCIAL RESPONSIBILITY POLICY ('CSR')

As a responsible company to its shareholders, business associates, suppliers, employees and various stakeholders, We, SOUTHERN ACIDS INDUSTRIES SDN BHD take our corporate social responsibility seriously :-

- (A) As an integral part of business & strongly pursues its belief of caring for & sharing with people, business associates and the community.
- (B) Continues its initiative to strive for a balanced approach in achieving its business profitability & the expectation of its stakeholders & the community thereby creating value to our shareholders and enhancing the long term sustainability of the Company.
- (C) Our involvement in CRS includes activities and interactions with communities, authorities, regulators, non-governmental organizations, shareholders and our workers.
- (D) We, continues to contribute to local charities, voluntary organizations & support numerous charitable causes, both in cash & in kind.

We, have at all times try our very best to commit ourselves in SOCIAL, ECONOMIC & ENVIRONMENTAL responsibilities and have built in a culture of a responsible corporate in the way we conduct our business. We continue to refine our approach with the changing business environment.
